Hi again Trish

I know you must be busy, but when you have a moment, hopefully before the week ends, could you please respond to my email (below) or phone message I left earlier this week?

Many thanks

Tom Wilber

Hi Trish

Perhaps you remember me when we met at the Suatner's residence in mid January as I reported on the EPA investigation.

I'm interested in learning more about the results, which I understand will be released this week. When do you expect that to be released and what will the protocol be? Can you please include me on your media distribution list?

Regards

Tom Wilber
